PORCON[®]

THE PIGTEK GROUP IS THE BEST SOURCE FOR INNOVATIVE SOLUTIONS THAT ADD REAL VALUE TO YOUR OPERATION

The PigTek® Pig Equipment Group was created by CTB in early 2007 to provide a unified approach to the global pig industry. Its brand portfolio includes Chore-Time®, Laake®, Mannebeck® and Porcon®, as well as PigTek-branded products. While the PigTek name may be relatively new to the industry, the collection of well-known brands it comprises offers a combined total of over 200 years of success in the pig production industry.

OUR PRODUCT FOCUS IS ANTICIPATING AND RESPONDING TO OUR CUSTOMERS' NEEDS WE DO THIS BY PROVIDING SYSTEM SOLUTIONS FOR THE CHANGING SWINE MARKETS

Our customers are industry leaders who expect to receive technology and knowledge that will provide them with a competitive edge. They want quality products and processes that reduce operational costs and enhance performance while also keeping the pig's comfort in mind. Our innovative system solutions have helped to position us as leaders in the areas of: (1) individual care and group housing for sows, (2) precision feeding and (3) bringing technology to leading producers to improve their overall operational management and results.

OUR DIVERSE BRAND PORTFOLIO HAS ONE CRITICAL ATTRIBUTE IN COMMON — ALL BRANDS ARE ALIGNED WITH CTB'S MISSION OF LEADERSHIP THROUGH INNOVATION®

Each brand that is part of the PigTek® Group was selected for its innovative products, staff expertise and customer fulfillment focus on providing project and equipment solutions to the pig industry worldwide.

OUR GOAL IS TO BECOME THE GLOBAL MARKET LEADER
BY DEVELOPING PRODUCTS WHICH ENABLE OUR
CUSTOMERS TO MAXIMIZE THEIR RETURN ON INVESTMENT.

WE WILL DO THIS BY:

- + Practicing integrity and delivering excellence in all that we do
- + Utilizing our size, financial strength and professional distribution network to provide true world-class services and support for our customers' investments
- + Building relationships with key industry groups and maintaining close contact with the end users of our products

+ A BROAD SPECTRUM OF INNOVATIVE EQUIPMENT SOLUTIONS

The PigTek Group offers pig producers industry-leading technology and equipment solutions for animal comfort and care. In select world markets, the PigTek Group also distributes products designed by its sister companies of Fancom and Uniqfill. These include innovative Fancom® Controls and Ventilation Systems and Uniqfill® Air Scrubbing Systems. Custom equipment packages can also be assembled including third-party products.

+ PROFESSIONAL EXPERTISE IN THE WORLD'S KEY PIG-GROWING REGIONS

With facilities in the United States, the Netherlands and Germany, the PigTek Group offers customers layout and planning services for projects anywhere in the world. We think globally, but act locally when it comes to products and service. High-quality after-sales technical supervision and support is a part of our customers' experience. We also offer training and seminars to help customers get the best performance from their PigTek systems.

+ THE BEST SUPPORT AND TRUE VALUE TO MEET OUR CUSTOMERS' NEEDS

The PigTek Pig Equipment Group is a part of CTB, Inc., a leading global designer, manufacturer and marketer of systems and solutions for the pig, poultry, egg production and grain industries. Founded in 1952, CTB has been dedicated to "Leadership Through Innovation®" throughout its history. As a Berkshire Hathaway company, CTB offers its customers tremendous strength and stability to back its products and systems.
